

Severe weather procedures

In the event of our school closing due to severe weather, a decision will be made as early as possible to give parents time to make arrangements. Parents should listen to local radio stations who broadcast lists of school closures and can consult the following website.

<https://schoolclosures.suffolk.gov.uk>

We will also endeavour to send a text message to each family notifying them of a decision to close.

Closing the school is not a decision that we will take lightly and will be based upon the safety of both staff, parents and children, many of whom travel from outside of Laxfield on roads which are usually untreated and therefore dangerous.
