Working in partnership

Our collaboration

All Saints CEVA and Stradbroke CEVC Primary work collaboratively together and share a Headteacher Mrs Melanie Barrow. There are many shared activities which take place between the two schools including residential visits, educational visits and extra-curricular events. Staff work closely together across the two schools and participate in shared training and INSET.

Pyramid Schools

Both schools are in the Stradbroke Pyramid feeding to Stradbroke High Schools. Other schools within the Stradbroke pyramid are Fressingfield, Mendham, Wilby and Worlingworth.

Family of Schools

Both schools are in a “family” of schools including Fressingfield, Mellis and Worlingworth primary schools. Our family of schools participate in shared CPD and professional dialogue between schools. Recent shared work has included moderation of assessment and marking, planning for the new National Curriculum and assessment.

Teaching Schools

Stradbroke Primary is part of the Norfolk and Suffolk teaching school alliance of which Gislingham Primary is the designated school. Other strategic partners include Mellis, Wortham and Scole Primary schools. Teaching schools work with others to provide high-quality training and development to new and experienced

school staff. They are part of the government's plan to give schools a central role in raising standards by developing a self-improving and sustainable school-led system.
